

'Parting' is not only playable as a piece for solo instrument & piano, but also as a duet with piano accompaniment.
This edition comes complete with E♭ saxophone, B♭ saxophone, flute and clarinet parts for both the main melody and the optional duet part.
All these parts are compatible with one another and interchangeable. Therefore, you could, for example play 'Parting' with an E♭ alto sax playing the main melody, and a flute playing the optional duet part.

In memory of Stephen Rix and Elwin Griffith
